

DRIVING TO THE CENTRE FOR CONTINUING EDUCATION JOHN ABBOTT COLLEGE

It is much easier to find the Continuing Education building (Brittain Hall/Cont.Ed) from the Lakeshore road entrance to the college.

From the 40 –TransCanada:

Note: The Exit 41 East bound is closed. Follow the road signs

Take the **EXIT 41** for Ste. Anne-de-Bellevue and go down into town and then turn left (East) on Ste. Anne's street until you arrive at the college (just past Maple street – Ste. Anne's street changes into Lakeshore road past Maple street).

From the Highway 20:

Take the **EXIT 39** for Ste. Anne-de-Bellevue, turn right at the traffic lights (*if arriving from West*) **OR** turn left at the traffic lights (*if arriving from East*) and head down into town and turn left (East) on Ste. Anne's street to the college (see above).

The John Abbott college entrance is located on the north side of the Lakeshore road just beside the bus terminus.

Also if arriving from the Highway 20 (East bound), you can:

Take the **EXIT 42** for Morgan road, turn left at the stop sign and head down to the Lakeshore road. Turn right at the stop sign, and drive for 2 kilometres into Ste. Anne's. The college entrance is on your right after the one for the Macdonald campus and before the bus terminus.

Once on the campus, turn left at the first stop sign. Keep driving until you get to the second fork in the road. There is a sign directing you to Brittain Hall located on the left. Park anywhere in the spaces directly across from the building marked Staff or Student as no parking pass is necessary for any evening information sessions. A temporary pass is required for any day time information sessions and will be supplied by our office.

Locate the Brittain Hall/Cont Ed. building on the campus map.
