

Four couples are at the townhouse of deputy New York City mayor and his wife to celebrate their tenth wedding anniversary. The party never begins because the host has shot himself in the head (it's only a flesh wound) and his wife is missing. His lawyer's cover up, gets progressively more difficult to sustain as the other guests arrive and nobody can remember who has been told what about whom. Doors slam and the hilarity abounds as the couples get more crazed!
