

JOHN ABBOTT COLLEGE

COLLEGE-WIDE SPORTS STUDIES CERTIFICATE

LIST OF ELIGIBLE COURSES

June 2022

As per College rules, a certificate eligible course must either have at least 15% of its content dedicated to the certificate theme or allow students to complete one or several projects on the certificate theme totaling at least 25% of the course grade.

Please note that the column “teacher required” indicates that the course must be taken with that teacher. If no teacher is indicated as required, the course can be taken with any teacher offering it. **Not all courses are offered each semester.**

Social Science students: your ISS course will be eligible for the SSC if you write your major project on a sports theme. Consult with your teacher.

ALC students: your IA course will be eligible for the SSC if you write your major project on a sports theme. Consult with your teacher.
